NOTE: MAT 111 and MAT 134 are both considered college-level by Ivy Tech Community College. Further, both transfer to Indiana University-Bloomington.

However, both classes are considered developmental level at Indiana University-Bloomington. Hence, neither class can be counted toward graduation there.

That is why the courses are listed as necessary prerequisites, but not listed as transferrable electives. The simple fact is that they can not be used as credit toward a degree program at IU."
